New Life

Celebrating Resurrection Sunday and the NEW LIFE Jesus brought out of the tomb is an incredible privilege! But it's not to be kept to ourselves, locked away, or hoarded in homes and churches. That New Life is to be celebrated and shared with everyone we meet.

Earlier this month I was at a great E3 Evangelism training at Western Heights (Pastor Jason Jones) and was reminded again that when we receive God's gift of eternal life He then SENDS US back into the world to share with others.

As I have been writing through the days leading up to Easter I have also been reminded of our Amazing Savior, Jesus Christ. I've developed a list of things He "HAD TO" do in order to bring us new life.

He **HAD TO** come down to live among us. Jesus left His glory in Heaven and poured Himself into human flesh to rescue us.

He **HAD TO** live a perfect, sinless, life. In order for Jesus to be our sacrifice, He had to be the Lamb without blemish. He was.

He **HAD TO** suffer for our sins. When sin entered the world, so did suffering. Jesus suffered for our sins. 1 Peter 3:18 says,

"For Christ also suffered once for sins, the righteous for the unrighteous, that he might bring us to God, being put to death in the flesh but made alive in the spirit..."

He **HAD TO** die on the cruel cross to pay the price to satisfy the wrath of God upon sin. Jesus did not just faint or almost die on the cross. He died a cruel and agonizing death for our sin.

He **HAD TO** come back to life (resurrect) in order to fully defeat death and the grave and emerge victorious. I would remind you that the story doesn't end on the cross, it ends in the victory of the empty tomb holding only the death cloth of our conquering King of kings.

Understanding all of those "HAD TO's" that Jesus fulfilled, let me ask you this:

What are the things you WILL DO to celebrate your NEW LIFE?

Will you **OBEY** His call to go back into a lost and broken world so that others might hear the Gospel?

Will you **SERVE** those who have needs and live among us?

Will you **LOVE** others as you have been loved? Will you even love the unlovely?

Will you **FORGIVE** those in your life who need it?

Will you **PRAY** for laborers and **GO** when God sends you into the field?

As we celebrate the New Life of the Resurrection, consider what you **WILL DO** as a Kingdom citizen to spread the word and as a shirt I saw the other day says, "Populate Heaven."

You are loved.

MINISTRY NEWS

It's been another exiting month of ministry and seeing God move all around the TBA. March marks the beginning of my second year as your AMS and I am loving getting to know our churches and pastors each week. Thank you for your prayers and encouraging calls, texts, and emails. I appreciate them very much.

We started this month off preaching at New Macedonia Missionary (Pastor Derek Williams) and the "Get Up! Wake Up!" Revival. Had a wonderful time sharing a word on the things that will move our hearts toward revival. It was a great service! The NMMBC praise team is doing a fantastic job!

The following day I shared a similar message at the Mountville (Pastor Dwayne Perdue) Sunday morning revival. After the service Bro Dwayne spoke with a teenage girl who gave her heart to Christ. Bro Dwayne has been in the baptismal pool each Sunday for over a month now. Praise the Lord!

Early in the month, Samuel Ayala (GBMB) came and met with me at my office regarding possible partnerships with church planters in New York City. Samuel is a wonderful guy who has served the Lord in the Bronx, Puerto Rico, and now in South and Central Georgia. Listen out for more information on these partnerships.

Pastor Jason Jones (Western Heights) invited me to be a part of the E3 Discipleship and Evangelism training at WHBC. This plan to share so that "no one is left out" was exciting and inspiring. A simple response of, "There was a time when I struggled with [name of problem], but when I surrendered my life to Jesus I found [peace, love, forgiveness, freedom,...]" will lead you into a Gospel conversation with someone needing Christ. Great day.

I was able to be back at our home church, Franklin Road (Pastor Trace Lasher) to preach and enjoyed a wonderful time with our family there. I was also privileged to share with the student prayer group at Troup High School (Jacob Walker) one Thursday and then preach at the Lafayette Christian School chapel service in a service focused on repentance.

I continue to serve with the local Disaster Response & Recovery group here in Lagrange. We want to be better organized and ready if or when the next disaster strikes our community. Please see the information to the right on this page for ways you and your church can be involved.

Finally, I served by grilling hotdogs for the Fellowship of Christian Athletes ministry event before a recent LaGrange College Baseball game. This was a treat for me to help my friend Coach Steven "Earl" Tanner who is our local FCA leader. It was also an honor to spend some good time talking and reminiscing with my college baseball coach and hero Coach Phil Williamson.

There is much to do to reach Troup and the surrounding counties for Christ in the days ahead. Thank you for your continued prayers and support. If I can serve you or help you in any way, please call, text, or email me any time.

The Baptist Collegiate Ministry (BCM) at LaGrange College continues to grow and progress. We meet every Monday at 8pm in Turner Hall and have had some wonderful Bible Study. We have started a new Friday Night Worship time and are seeing students come to sing praise, hear the Word, and spend time in prayer. I have been so encouraged at the desire of these students to reach their campus for Christ. Please join me in praying for God to continue to move at LC!

Each Tuesday we are a part of **SOUL FOOD CAFE!** Have your class or church call me at the TBA and sign-up to provide this lunch for about 25-30 college students. They love "home-cooked" meals and fellowship with all of you! Special thanks to Reeds Chapel for doing a great job with this during March.

DISASTER RESPONSE & RECOVERY

In preparation for any possible disaster in Troup County, we are trying to coordinate immediate shelter and emergency transportation for those who need it in our county. If you serve on any of these type committees in your church or if your church has a large fellowship hall or multipurpose building, please prayerfully consider being ready to open your doors as an:

1. Immediate (right after the event) shelter
2. Short-term (1-2 days or until Red Cross is in place)
3. Transportation vehicles (to get people to shelters)

I am working to set up a TBA meeting where we can all come together and be ready to respond to our neighbors in Jesus' name in the event that we have another tragedy.

Please visit our website to learn more about this effort.

Sam: "Hello?"

Sue: "Honey, It's me. Are you at the club?"

Sam: "Yes"

Sue: "Great! I'm at the mall. I just saw a beautiful mink coat. It's absolutely gorgeous! Can I buy it?"

Sam: "What's the price?"

Sue: "Only \$1,500.00."

Sam: "Well, OK, go ahead and get it, if you like it that much."

Sue: "Aah, and I also stopped by the Mercedes dealership and saw the 2023 models. I saw one that I really liked. I spoke with the salesperson, and he gave me a really good price...and since we need to trade the BMW that we bought last year..."

Sam: "What price did he quote you?"

Sue: "Only \$70,000."

Sam: "OK, but for that price, I want it with all the options."

Sue: "Great! But before we hang up, something else..."

Sam: "What?"

Sue: "Remember the house that we looked at last year?" I stopped by the Realtor's office and it's on sale! Remember the one with the pool and English garden on one acre of land.

Sam: "How much are they asking?"

Sue: "Only \$500,000."

Sam: "Well, then go ahead and put in an offer of \$475,000, OK?"

Sue: "OK, sweetie... Thanks! I'll see you later! I love you!

Sam: Bye... I love you too!

Sam hangs up, raises his hand while holding the phone, and asks to everyone there: Does anyone know who this phone belongs to?"
